

Membership Directory Information for GPSA Website

Please check all that apply. Return by email (ATollette@GPAglobal.org) or fax (918-493-3875)

The information you provide below will be listed within the online GPSA membership directory.

Company Name: _____

Phone: _____

Address: _____

Fax: _____

City, State, Zip: _____

Web URL: _____

Services

- Compliance - Auditing
- Compliance - Critical Incident/Emergency Response
- Compliance - Emissions Testing
- Compliance - Environmental Services
- Compliance - Leak Detection Services
- Compliance - Legal Services
- Compliance - Safety Consultant
- Compliance - Security
- Consulting - Computer Systems
- Consulting - Expert Witness
- Consulting - Forensic Engineering
- Consulting - Corrosion
- Consulting - Strategy Planning
- Dismantle, Surplus Equipment
- Engineering - Procurement and Construction
- Engineering - Drafting
- Engineering - Pipeline
- Engineering - Process
- Facilities, Equipment
- Gas Compression - Leasing
- Gas Compression - Repair
- Gas Compression - Sales
- Inspections, Testing, Analysis - Gas Contamination Testing
- Inspections, Testing, Analysis - General
- Inspections, Testing, Analysis - Pipeline
- Operation, Maintenance, Reliability - Analytical Laboratories
- Operation, Maintenance, Reliability - Failure Analysis
- Operation, Maintenance, Reliability - Inspections
- Operation, Maintenance, Reliability - Insulation, Painting
- Operation, Maintenance, Reliability - Machining and Repair
- Operation, Maintenance, Reliability - Measurement
- Operation, Maintenance, Reliability - Performance Analysis
- Operation, Maintenance, Reliability - Services
- Process Controls - Instrument and Electrical Construction
- Process Controls - Licensed Processes
- Technology - LNG Processes
- Technology - Nitrogen Rejection
- Technology - Offgas Recovery
- Training, Publications - Pipeline Maps & Data
- Training, Publications - Process
- Treating - Gas
- Treating - Liquid

Supplies

- Adsorbents, Catalysts, Molesieves
- Analyzers, Sampling Systems
- Automation, Instruments, Process Controls
- Buildings
- Chemicals
- Compliance (Contingency Plans, Emission Controls, Safety Equipment)
- Compressors (and Parts)
- Electric Motors (and Supplies)
- Engines (and Parts)
- Filters
- Fired Equip (Boilers, Flares, Heaters)
- Industrial and Specialty Gasses
- Membranes
- Odorization, Odor Control
- Packaged Systems
- Pipe, Valves, Fittings, Regulators
- Pipeline Equipment (Installation, Pigging, Repair)
- Process Equipment - Air Coolers
- Process Equipment - Dehydration
- Process Equipment - Measurement
- Process Equipment - Turboexpanders
- Process Equipment - Vapor Recovery Units
- Process Equipment - Vessels, Tanks
- Process Equipment - Waste Heat Recovery
- Process Equipment - Cryogenic
- Process Equipment - Exchangers
- Process Equipment - LNG
- Pumps
- Reconditioned, Surplus Equipment
- Software
